## IN THE UNITED STATES DISTRICT COURT FOR THE DISTRICT OF SOUTH CAROLINA

James Madison Compton,	) C/A No. 8:13-cv-2963 DCN
Petitioner,	)
vs.	)
William R. Byars, Jr.,	)
Respondent.	) )

The above referenced case is before this court upon the magistrate judge's recommendation that respondent's motion for summary judgment be granted, petitioner's motion for summary judgment be denied, and the petition be denied.

This court is charged with conducting a <u>de novo</u> review of any portion of the magistrate judge's report to which a specific objection is registered, and may accept, reject, or modify, in whole or in part, the recommendations contained in that report. 28 U.S.C. § 636(b)(1). However, absent prompt objection by a dissatisfied party, it appears that Congress did not intend for the district court to review the factual and legal conclusions of the magistrate judge. <u>Thomas v Arn</u>, 474 U.S. 140 (1985). Additionally, any party who fails to file timely, written objections to the magistrate judge's report pursuant to 28 U.S.C. § 636(b)(1) waives the right to raise those objections at the appellate court level. <u>United States v. Schronce</u>, 727 F.2d 91 (4th Cir. 1984), cert. denied, 467 U.S. 1208 (1984). No objections have been filed to the magistrate judge's

<sup>&</sup>lt;sup>1</sup>In <u>Wright v. Collins</u>, 766 F.2d 841 (4th Cir. 1985), the court held "that a <u>pro se</u> litigant must receive fair notification of the <u>consequences</u> of failure to object to a magistrate judge's report before such a procedural default will result in waiver of the right to appeal. The notice must be 'sufficiently understandable to one in appellant's circumstances fairly to appraise him of what is required." <u>Id.</u> at 846. Plaintiff was advised in a clear manner that his objections had

8:13-cv-02963-DCN Date Filed 08/27/14 Entry Number 26 Page 2 of 2

report and recommendation.

A <u>de novo</u> review of the record indicates that the magistrate judge's report accurately summarizes this case and the applicable law. Accordingly, the magistrate judge's report and recommendation is **AFFIRMED**, respondent's motion for summary judgment is **GRANTED**, petitioner's motion for summary judgment is **DENIED**, and the petition is **DENIED**.

IT IS FURTHER ORDERED that a certificate of appealability is denied because petitioner has failed to make "a substantial showing of the denial of a constitutional right." 28 U.S.C. § 2253(c)(2).

AND IT IS SO ORDERED.

United States District Judge

August 27, 2014 Charleston, South Carolina

## NOTICE OF RIGHT TO APPEAL

The parties are hereby notified that any right to appeal this Order is governed by Rules 3 and 4 of the Federal Rules of Appellate Procedure.
